

Carillion, has been selected as the contractor for Kent County Council's New Line Learning Academy and preferred bidder for the Kent Batched Academies programme, worth a total of £118 million. This exciting project delivered through Partnerships for Schools' National Academies Framework involves the design and construction delivery of 5 large secondary education facilities throughout the county of Kent. The work is being managed from our West Malling office.

## About the project

The New Line Learning Academy is a £25m construction scheme. The 18 month project will involve the redevelopment of a new academy building with associated sports building and facilities, circulatory access roads, strategic landscaping works and car park facilities. Demolition works of the existing academy will take place on completion.

## Progress update

Brick and block work has progress well with the majority of the external façade now complete. This in turn has allowed removal of the scaffolds.

The glazing and curtain waling has also progressed well and we are currently installing the glazing to the southern elevation.

The roof works are substantially complete which has provided a partially watertight building.

Mechanical and electrical installation has commenced along with the construction of the internal walls.

Overall we are pleased to record that the project is currently on programme.

## How we manage our waste

Managing our waste is an important element in ensuring that the site is operating to a high environmental standard. We aim to minimise waste generated by site in the first place by working with our supply chain to take action such as reducing packaging and off cuts. Our key aim for any waste generated on site is that it does not go to landfill so we try to ensure that as near to 100% as possible is either reused or recycled.

## Getting in touch

You can contact Carillion's team as follows:

Site Tel: 01622 747171 / Fax: 01622 740877

Martin Clark - Project Director  
Mobile: 07703 502481

Andy Beavis - Project Manager  
Mobile: 07803 261894

Regional Office: Carillion Building, Malling House,  
Town Hill, West Malling, Kent. ME19 6QL

Tel: 01732 848888 / Fax: 01732 841111

## Recent events

Carillion's Trainee Site Manager, Spencer Ghent, and some of the school pupils carried out a litter pick at the 5 acres on 1<sup>st</sup> October, filling almost a skip full with litter.

A parents and residents evening was held mid September at the Loose Baptist Church. Carillion were present and available to discuss details of the new facility currently under construction.

Unfortunately all the Carillion team, including the Manager, are on free transfers after receiving a 10-0 thrashing against the school's teaching staff at an 11-a-side football match!

Carillion Team

## Minimising impact

We are aware of the potential impact of the works on you, our neighbours. We will continue to work to reduce this impact through:

*Keeping to the agreed hours generally, with deviation only by exception and prior agreement*

*Implementing best practice methods and modern equipment to minimise noise and vibration*

*Utilising noise and dust suppression methods*

*Monitoring noise and vibration*

*Monthly newsletters*

*Traffic management incl. on-site parking for all construction vehicles*
